

THE
DAVENPORT HOTEL
and Tower

Dear Guest,

Welcome to the Davenport Hotel and Tower! We are delighted to have you and your pet as our guests. We would appreciate your observance of the following guidelines during your stay with us:

- ❖ Your pet must be kept on a leash when you are on property, unless in your room.
- ❖ For safety reasons, please do not leave your pet unattended in the hotel. Should you require sitting or walking services you may contact the Concierge staff to assist you in making these arrangements.
- ❖ We regret that pets are not allowed in any Food & Beverage outlets, Health Club, Pool or any other public areas of the hotel. (This exclusion does not apply to guide dogs.)
- ❖ Any disturbances, such as barking, must be curtailed to ensure other guests are not inconvenienced.
- ❖ Please contact the Housekeeping Department to arrange a convenient time for servicing your room.
- ❖ For your pet's potty break, we have provided a grassy area located next to the parking garage, across the street from the hotel. There is a trash receptacle, as well as bags provided to clean up after your pet.

We understand that accidents are sometimes unavoidable and if one should occur, please call our Housekeeping Department immediately so we may try to prevent any permanent damage. However, in the event that damage is irreversible, you will be responsible for the repairs that may be required.

Thank you for choosing the Davenport Hotel and Tower as your *and your pet's* home away from home!
